

AG Series Heat Pads

Select a Heat Pad size according to the tyre tread dimensions and repair plug size. The Heat Pad should fully cover the repair and fit comfortably between the tread lugs.

TYRE SIZE	HEAT PAD	DIMENSIONS
540/65R30	AGX1	A = 360mm B = 105mm
520/70R38		
600/65R38		
520/85R42		
650/85R38	AGX2	A = 500mm B = 130mm
710/70R38		
710/70R42		
800/65R32	AGX3	A = 600mm B = 160mm
800/70R38		
850/75R42		

The AG series of Heat Pad is available in X or Classic style. Please choose according to your existing control panel or get in touch for further information.
